

**Proudly Serving Our
Community 24/7 with
Emergency Medical Service**

Your Membership:

- Your subscription covers the cost of all medical necessity ambulance trips after all funds have been exhausted from your medical insurance companies. At this point, this ambulance membership would then become in effect.
- YBEMS reserves the right to third party bill your insurance company for the cost of your ambulance transportation, by being a subscribing member, you will incur no additional cost.
- YBEMS is a 501C (3) organization. Your membership donation is tax-deductible.
- For billing questions, contact our billing company: Cornerstone Adminsystems, 1-877-214-6018.
- The subscription calendar year goes from January 1, 2022 to December 31, 2022.
- This years membership is a joint membership of \$110.00, which covers both Yellow Breeches Ambulance and Advanced Life Support. This membership covers everyone living in your home.
- Unfortunately, Yellow Breeches EMS is not opening its membership up to businesses this year. However, your tax-deductible donations are appreciated.

**ADVANCED LIFE SUPPORT
PARAMEDICS ARE PROVIDED BY
LOCAL ALS SERVICES, AND ARE
A SEPARATE ENTITY FROM
YELLOW BREECHES EMS, INC.**

Yellow Breeches EMS, Inc. is a "Basic Life Support" EMERGENCY ambulance service located at 233 Mil Street, Mount Holly Springs, PA 17065. Yellow Breeches EMS provides Emergency Medical Services to Mount Holly Springs Brough, and the Townships of Cooke, Dickinson, Monroe, and South Middleton. Each year begins a new challenge to maintain the equipment needed for our Emergency Medical Technicians to effectively perform their skills in the field. With revenues obtained through Municipal allocations, public donations, State and Federal grants, and the membership program, we are able to staff the ambulance 24 hours a day, 7 days a week. YBEMS continues to average approximately 1,200 calls each year along with numerous stand-by events at local organizations.

The tough economy affects everyone in one way or another. The Emergency Medical Services of the area are not immune to such conditions that the public have to deal with each and every day. Like every business, our costs continue to rise with reimbursement amounts from insurance companies continuing to level off or even decrease in most occurrences. Yellow Breeches EMS, Inc. strives to cut expenses or minimize increases of costs with an open mind and assessing the actual needs of the company. We are confident that we will meet these goals.

As a convenience to the citizens and as a request of some of the municipalities, our membership subscription will include the local "BLS ambulance" and the designated "ALS paramedics" service that respond to your EMERGENCY needs. In doing so, you will receive one letter in the mail and be able to return one payment to YBEMS which will allow you to become a member of BOTH agencies. We will then forward payment to the correct paramedic company that is assigned to your response area. This membership is only for **MEDICALLY NECESSARY TRANSPORTS**. The paramedic services are provided by local ALS services. Membership is applied to claim **once ALL insurance reimbursements have been exhausted**. Memberships are valid from January 1, 2021 through December 31, 2021. Unfortunately, we only provide residential memberships. We do not have business memberships available.

Yellow Breeches EMS, Inc. is a 501(c)3 nonprofit company and you may choose to use your donation as a taxable deduction. A membership allows you to be excluded from out of pocket expenses should the insurance company not pay for the services rendered. Without the membership, patients of the service could be liable for the transport fees which are not covered by insurance reimbursement. It is our hope that you will not need our services, but our intention is to have you prepared for the unfortunate circumstance that may occur.

Respectfully,
Douglas A. Shields, EMS Director

IN ANY EMERGENCY DIAL
