CAPITAL DONATION REQUEST

Dear Neighbor,

Yellow Breeches EMS, Inc. plays a critical role in helping community members whose lives are impacted by pre-hospital emergencies. These needs are often unexpected and life-threatening. With increasing need and rising costs, our service to the community can only continue with your generous support. Our goal for this year is to raise funds to complete the purchase of 3 new powerload stretchers and reduce debt. This new system greatly decreases the physical strain on our providers.

In order to continue providing an excellent standard of care to our patients, your support is vital. By making a tax deductible donation to our Company, you are directly helping YBEMS provide emergency medical care to yourself, a loved one, or the community around you. We value you.

Please visit www.ybems.org to learn more about us, YOUR emergency medical services provider. You can be assured that your contribution will be put toward the \$40,000.00 powerload system and debt reduction. This will continue our ability to serve you, and the community at large, whenever the emergency medical need may arise. We truly appreciate your consideration and continued support.

Regards,
Robert Weidner Jr., Co-Operations Chief
Yellow Breeches EMS, Inc.
